Lanexa, VA – Work 4 Dad, Inc. announces its opening on November 16, 2009.

We provide employment for teens to establish a financial future!

Let us help you establish a \$1,000,000 retirement account for your child. We will hire your child as a part time employee to care for your garden, rake leaves, and do minor household chores. You establish the pay rate (starting at \$100 per month).

Benefits to Parent with one or more children:

- Small investment for the future security of your child
- Take advantage of your child's age and tax bracket
- Child begins to understand financial responsibility
- Generate nearly One Million Dollars in tax-free income
- Leverage dollar-cost averaging and tax-free compounding
- Investment will greatly enhance your child's credit standing at an early age
- Money can be withdrawn at any time without penalty*
- Child can still take advantage of other retirement programs later in life
- Contribute any amount – stop at any time
- Establish employment history for child
- No need to rely on the viability of Social Security
- No better way to generate tax-free distributions as a retirement fund.

This program is available to children 14-18 and college students living at home. The child must be able to do light gardening and cleaning. Parent may opt for random drug testing. Parent can establish the program at any time. No long term contract – cancel at any time. Change the level of service at any time.
